

Provisional National Assessments 2019

Our children and staff have been working fantastically hard all year. Our Reception, Year One, Year Two and Year Six children have been assessed, along with all the children in the country in the same years. Attached are provisional summaries of how well our school has achieved in each of those assessments. The comparisons, with local and national school figures, are based on the information we have currently available.

We know these results are based on strong partnerships between school and home, and the expertise of our staff and our Governing Body, and thank everyone for their commitment to our school.

Key Stage Two Provisional Results 2019 – Progress Scores

	Reading	Writing	Maths
St George and St Teresa	-1.1	-0.9	-2.9

Progress scores are presented as positive and negative numbers either side of zero. A score of 0 would mean pupils in this school, on average, do about as well at Key Stage 2 as those with similar prior attainment nationally. A positive score means on average more progress than similar pupils nationally and a negative score means on average less progress than similar pupils nationally.
