Successful Ofsted letter.

Dear Parents/Guardians,

We are delighted to share with you the fantastic news that the School has recently undergone an Ofsted inspection and our significant improvements have been recognised. It brings us great pleasure to inform you that our school has been rated as 'Good' across all areas assessed.

This achievement is a testament to our entire school community – students, staff, parents, and governors. It reflects the collaborative efforts and shared vision we uphold to provide the best possible education for our pupils.

The report highlights numerous strengths and positive aspects of our school, including:

New leaders have brought a clear vision and direction to the school. There are now high ambitions for every pupil, including disadvantaged pupils and pupils with special educational needs and/or disabilities (SEND). All adults want children to flourish and achieve well.

The pupils at this school are delightful. They are welcoming, friendly and curious. Pupils genuinely enjoy learning and attending school.

The school supports pupils' personal development very well. This is reinforced by the school's Catholic values and the strong relationships between staff and pupils.

We are incredibly proud of these achievements, as we celebrate this success, we remain committed to continually enhancing the educational experience we offer to our students.

We would like to take this opportunity to express our gratitude to you, as parents and guardians, for your support towards the school and the journey it has been on.

I encourage you to read the full Ofsted report, which will be available on our school website. Should you have any questions or require further information, please do not hesitate to contact us.

Once again, thank you for your ongoing support.

Yours Sincerely,

Mrs L. Flanagan
