Head of school Mr S Hainie Executive Headteacher Mrs L Flanagan

3rd May 2024

Dear Parents and guardians,

I hope you are well and you and your children have settled well to the summer term. This is a busy term with lots of activities and learning planned.

We are looking forward to celebrating with Year 3 as they receive their First Holy Communion. Please keep these children in your prayers. There are also many class and whole school Masses or services to be held in school or in church which I know will be very special.

There are also SATS for Y6, phonic screening in Y1 and multiplication assessments for Y4. We hope these go well for all the children and staff. Sports days, bikeability, class photos and hopefully some opportunities to learn outside will also be fun for the children, weather permitting.

You will have recently received the Ofsted inspection report. As governors we are truly delighted with the outcome and the many very positive things the inspectors reported back to us which are not included in the report because of the limit on the number of words Ofsted inspectors can use. Our congratulations and thanks go to all the pupils who were so positive, articulate and well-behaved throughout the inspection. Equally and importantly, we are very pleased that the work and dedication of all staff has been recognised as well as the impressive impact both Mrs Flanagan and Mr Haine has made on the school since they took up post.

During the inspection the inspectors met with 6 members of the Local Governing Body, including myself, a director from the MAC and Mr P Davis and Mrs M Conway of the MAC. I hope you will not mind me saying that the lead inspector was impressed with the support, challenge and knowledge of the school and its journey from requires improvement to good, we all had and how we have worked successfully with the current leadership team and previous leaders to secure improvements.

Of course, there is still more to be done both in the areas mentioned within the report but also things that the MAC, leadership team and us as governors want to achieve for our school and its wonderful pupils and families. We hope to be able to meet with you before the end of the school year to discuss future plans.

On behalf of the governors, I wish you a happy and successful summer term. Hopefully the sun will soon come out to shine on us all.

Yours sincerely,

T. Willmott

Chair of the Local Governing Body.
