## MASS TIMES THIS WEEK AT ST GEORGE AND ST TERESA

**15th September— 24th Sunday of Ordinary Time**

**Saturday** 5.30pm

**Sunday** 8.45am (Children's Liturgy—please come along as a family)

10.30am

Dear Parents/Carers,

It has been lovely to welcome back the children to St George and St Teresa and listen to their stories of their summer.

It has been wonderful to see lots of learning happening around school this week and hearing the children articulating what it is they're learning.

We put a lot of dates for your diary (last page)— please check these carefully.

Parent workshops will be an opportunity for you to work with your child on an area of the curriculum; this half term it will be RE!

Thank you for sending your children in with their PE kits, it is beneficial in school and ensures that learning time is maximised. We would still be asked for indoor pumps for PE so if these could be sent in once clearly labelled with your child's name and they can remain in school for the rest of term. When the colder weather returns the children can wear navy joggers or leggings as part of their PE kit.

All of the children should have come home with a reading book (please let their class teacher know if they haven't). For Years 2 – 6, these are based on reading assessments that have been carried out over the last week. The level may be different from where they were in July and this is to be expected after the six-week break from school.

Thank you Father John for celebrating a 'beginning of term' Mass with on Thursday. It was lovely to gather with the children, staff and families.

This half term, we are focussing on the virtues curious and active: curious about everything; and active in their engagement with the world, changing what they can for the better.

Have a great weekend!

Best wishes,

Mrs Flanagan and Mr Hainie

### Parking around school

We ask you to be considerate to our neighbours when parking.  
Thank you for your continued understanding and co-operation.

### Nut free school

Please remember we are a nut free school. Even traces of nuts brought in by one child can have serious implications for other children.
