

St George and St Teresa Catholic Primary School

POSITIVE BEHAVIOUR POLICY 2025 - 2026

The Staff of St George and St Teresa Catholic Primary School aim:

- to be a welcoming community where each member is valued and respected because we are unique in the sight of God.
- to help everyone in our School Community to grow in the knowledge and understanding of our Catholic Faith and the person of Jesus Christ.
- to encourage all in our school to reach their full potential within a happy, secure and stimulating Catholic environment.
- to foster and maintain links with the home, parish and the wider community.
- St George and St Teresa Catholic Primary school has two guiding principles:
 1. All individuals are valued for themselves in the sight of God and so staff and pupils treat each other with respect and courtesy at all times.
 2. All young people have God-given talents and must work hard to develop their potential and make use of their abilities.

We believe that the ethos of our school and the planning of the curriculum, promote the attitudes and values necessary for individual children to contribute positively to their own personal development and to that of the school.

Pupil behaviour is motivated to be 'Christ like' in their dealings with others following our positive behaviour policy. The school has 3 school rules only. These have been made as simple as possible to allow pupils to understand them.

1. Live life in response to God's teachings.
2. Love God, ourselves and each other.
3. Learn to achieve our best in everything we do in School.

The infographic features the school logo on the left, which includes a shield with a cross and roses, surrounded by the text 'St George and St Teresa Catholic Primary School'. To the right, the text 'GOING FOR GOLD' is written in large, bold, gold letters with a sunburst effect behind it. Below this, the title 'OUR THREE GOLDEN RULES' is written in large, bold, gold letters. The three rules are presented in blue boxes with white text:

1. Live life in response to God's teachings.	2. Love God, ourselves and each other.	3. Learn to achieve our best in everything we do in School.
<ul style="list-style-type: none">• We follow instructions first time, every time.• We stand up to bullying of any kind.• We walk sensibly around our school.• We know who to go to for help and support.• We stay safe online and outside of school.• We support one another all of the time.	<ul style="list-style-type: none">• We always listen when an adult is talking.• We are polite and show good manners to everyone.• We respect difference and know we are all equal.• We look after our equipment and share it.• We look after our environment.	<ul style="list-style-type: none">• We arrive at school on time, every day.• We try our best in all aspects of learning.• We wear our uniform with pride.• We make sure we have the right equipment for school and learning.• We take part fully in lessons and show resilience.

Staff are expected to:

- Establish and maintain clear and consistent expectations and boundaries
- Model forgiveness and the possibility of restoration and a new beginning in their relationships with both adults and children;
- Be visibly consistent in approaches – not walking by;
- Benefit from a calm and secure environment in which to teach effectively;
- Use Core Values and restorative language to support good behaviour for learning;
- Build positive relationships with the whole school community – discussing any issues with parents and carers in a timely manner;
- Consider the reasons why behaviours are being displayed

Pupils are expected to:

- Show respect to staff, each other and their learning environment
- Always do their best and make it easy for everyone else to learn Reflect on their actions thinking ‘What would Jesus do?’
- Take care of equipment, furniture and surroundings
- Always walk quietly and sensibly around school
- Always come to school on time and in the correct school uniform
- Promote the good reputation of the school in the community, bearing in mind that the code of conduct applies to and from school and on all activities that take place off site.
- Adhere to anti-bullying procedures and report all incidents of bullying to a staff member.

Parents are expected to:

- Be fully informed about the school's Catholic ethos, Core Values and the Positive Behaviour policy;
- Feel confident that all the decisions regarding behaviour are just, unbiased, and informed by the school's Core Values;
- Be confident that their child is developing personally, socially, morally and academically;
- Keep the school informed of any significant events that may affect their child in school;
- Support the school in developing appropriate behaviour;
- Remain vigilant regarding the use of Social Media and Communication Technology.
- Contact the class teacher if they have concerns. If that concern remains, they should contact SLT/ Head of School and then the Executive Headteacher

CONSISTENCY IN PRACTICE

Consistent language; consistent response: Referring to the agreement made between staff and children, simple and clear expectations reflected in all conversations about behaviour - Ready, Respectful, Safe

Consistent follow up: Ensuring 'certainty' at the classroom and senior management level. Not passing problems up the line, teachers taking responsibility for behaviour interventions, seeking support but never delegating.

Consistent positive reinforcement: Routine procedures for reinforcing, encouraging and celebrating appropriate behaviour. Verbal praise, phone calls/texts home for above and beyond.

Consistent consequences: Defined, agreed and applied at the classroom level as well as established structures for more serious behaviours. This includes for SEND children behaviour choices that are not part of their special educational need.

Consistent, simple rules/agreements/expectations referring to promoting appropriate behaviour that are accessible to all through icons, symbols and visual cues and interesting and creative signage.

Consistent respect from adults: Modelling to the children our expectations.

Consistent models of emotional control: Emotional restraint that is modelled and not just taught, teachers as role models for learning, teachers learning alongside children.

Consistently reinforced rituals and routines for behaviour around the site: In classrooms, around the site, at the school office.

Consistent environment: Display the quality of a good Catholic primary school, consistent visual messages and echoes of core values, positive images of children.

REWARDS AND SANCTIONS

We believe that positive reinforcement of appropriate behaviour is the best way to encourage good standards of behaviour. As our children progress through the school they should begin to acquire a set of Christian moral values, on which their own behaviour is based, such as honesty, sincerity, personal discipline, kindness, consideration and responsibility, to appreciate everyone as God's children, respecting their feelings, views and property.

- Verbal praise and positive comments and smiling at learners: praise and positive comments will be given readily, making specific comments on good behaviour using the 'values language'.
- Every fortnight the class teacher will identify positive attitudes to learning, and these will be celebrated in our 'time to shine' assemblies.
- Learners who have done some great learning will be sent to another member of staff or the Head of school for rewards and praise. Rewards include;
 - Vending machine
 - Positive text home
 - Dojo shop
- Texts home to parents/carers will celebrate success.

House points will be used to reward general good behaviour, in the classroom and around school. These can be given verbally or through written feedback by any member of staff. House points will be counted fortnightly and announced in Friday's assembly. The weekly results will be totalled and at the end of the year, one house will be crowned winners. **Children can be given house points by any member of staff in school. Termly house treats/rewards will be given out.**

“Love one another as I have loved you.” John 16

RESPONSE TO INAPPROPRIATE BEHAVIOUR

On occasions, where a learner finds it difficult to follow our Core Values and positive attitudes and behaviour expectations, adults will:

- seek to avoid confrontation and demonstrate compassion through active listening and forgiveness where there is an acknowledgement of wrong doing;
- establish the facts and be non-judgemental;
- remember that quiet, personal, explicit conversations are essential as opposed to general criticism of whole groups;
- provide learners with the opportunity to make amends – repair and restore.

Where necessary, individual learners may need to have a personalised behaviour plan, which would be set up in conjunction with the class teacher, phase leader or other Senior Leader. This will be communicated to parents in the form of a face-to-face meeting.

Remember - It is the behaviour which is unacceptable – not the child. Consider the deed not the perceived reputation of the child.

	Steps	Actions
1	Reminder	Minimal acknowledgement of behaviour, eye contact, facial expression, reminder of the Core Values delivered privately, wherever possible. Repeat reminders, if reasonable adjustments are necessary. (Take the initiative to keep things at this stage if needed.)
2	Warning	A verbal caution delivered privately, wherever possible, making the learner aware of their behaviour and clearly outlining the consequences if they continue – Reflection on what would Jesus do?
3	Last Chance	<p>Speak to the learner privately and give them a final opportunity to engage. Offer a positive choice to do so, and refer to previous examples of good behaviour. Use the 30 second intervention comments:</p> <p><i>I noticed that you are...(having trouble getting started/struggling to get going/struggling with playing kindly).</i></p> <p><i>The expected behaviour you have not shown is...(be kind and loving/be the best you can be/be respectful to everyone and everything).</i></p> <p><i>You have chosen to (move to another seat/catch up with your work later).</i></p> <p><i>Do you remember last week when you...(got that positive note/did that fantastic learning).</i></p> <p><i>That is the behaviour I need to see today... You need to...</i></p>
		<p><i>I expect...(to see your table tidy in 2 minutes) I know you will...</i></p> <p><i>Thank you for...(give them take up time)</i></p>
4	Calm Time	<p>Calm Time will be a short time in a buddy class, in a thinking space or at the side of the playground. It is a few minutes for the learner to calm down, breathe, look at the situation from a different perspective and compose themselves – it should be short.</p> <p>This will be recorded in CPOMS.</p>
5	Repair	<p>This might be a quick chat at break time in the classroom/playground (walk and talk) or a more formal meeting – using restorative language.</p> <p>What happened?</p> <p>What were you thinking and feeling? Which Core Value should you be trying to show here?</p> <p>Who has been affected – how did it make them feel? How can you make it right?</p> <p>How can you make sure this doesn't happen again?</p> <p>Depending on the behaviour displayed and whether the behaviour is repeated, this step may involve SLT – for time out they should be sent to a SLT member. The repair may involve 'Community Pay Back', or an imposition (rather than exclusion).</p>

The member of staff who has dealt with the situation records incidents of poor behaviour on CPOMS. This enables staff to monitor behaviour closely and address patterns that may arise. These will be monitored regularly in SLT meetings.

Each incident will be recorded on CPOMS using the following 6 questions:

What happened?

What were you thinking and feeling?

Which Core Value should you be trying to show here?

Who has been affected – how did it make them feel?

How can you make it right?

How can you make sure this doesn't happen again?

Remember each child has a clean state after each lesson

COMMUNITY PAY BACK

These are additional responsibilities that will be carried out in the learner's own time, e.g. break or lunchtime – assisting an adult with a club, tidying an area, helping in the lunch hall, sharpening pencils, putting the playground toys away or litter picking. The staff member will remind the learner of the reasons why they are carrying this out, before and after the Community Pay Back. This will be communicated to parents by the adult issuing the sanction, by letter and will be followed up with a review meeting, where undertakings will be discussed, reparation made and clean sheets created. A mentor may be allocated to support the learner; this could be any member of staff with whom they can build a positive relationship.

IMPOSITION

If a child needs to catch up on learning missed - this is sent home with a short note attached and must be completed that evening and signed by the parents/carers. The parents/carers can see that there are expectations that are not being met, and the learner can see that there are consequences for not completing work.

The aforementioned rewards, behaviour expectations and sanctions will be enough for the majority of children. However, should it be necessary, the following sanctions will be applied:

EXCLUSIONS:

Internal Exclusion

An internal exclusion at St George and St Teresa means that a child will complete their set work outside of the classroom that they usually work within. This could be the SLT office or another appropriate area. Only the Executive Headteacher or Head of school can internally exclude. The parents/carers would be informed by a member of SLT sending a letter home. The incident would be logged on the learner's electronic file (CPOMS).

Fixed Term Exclusion

- If an incident is deemed serious enough to involve fixed term exclusion, the Executive Headteacher or Head of school will endeavour to contact the parents on the day of the incident.
- A letter will be sent home within 24 hours outlining the reasons for the exclusion and the measures parents can take in relation to them.

- Work will always be provided for the length of the exclusion. It is expected that this is returned to be marked.
- Parents must meet with the Executive Head Teacher or Head of school on the day that the child returns to school to ensure such events don't reoccur.
- Procedures to appeal against a decision are also clearly outlined in the letter. St George and St Teresa School follows guidelines set out in the Department for Education's document (2012) 'Exclusion from Maintained Schools'

HOW A SITUATION IS DEALT WITH

If a dispute happens, we will deal with this with:

Care: it should be widely accepted and applied that all children have the right to a hearing, to tell their 'truth', regardless of their mistakes or misdemeanours as hearing 'learner voice' is fundamental.

Consistency: all staff must accept responsibility for maintaining good behaviour throughout the school, and must model the types of behaviour encouraged by the school policy.

Focus on repairing harm, rather than punishment

Using restorative questioning/debrief:

- What happened?
- What were you feeling/thinking at the time?
- What do you think/feel about it now?
- Who has been affected by what has happened?
- In what way?
- What impact has this incident had on you and others?
- Which Core Value/Behaviour Expectation should you be trying to show here?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

These questions are always neutral and non-judgemental; they are about a child's behaviour and its effect on others. It should also be noted that for some children, these questions will need to be asked when they are calmer and therefore not necessarily at the time of the dispute. It should be noted that 'Why' questions should not be used. It is the responsibility of the adult initially dealing with the incident to organise who will be carrying out the restorative questioning/debrief.

Peer on Peer Abuse

When an allegation is made by a pupil against another student, members of staff should consider whether the complaint raises a safeguarding concern. If there is a safeguarding concern the Designated Safeguarding Lead (DSL) should be informed.

A factual record should be made of the allegation, but no attempt at this stage should be made to investigate the circumstances. The Designated Safeguarding Lead will follow through the outcomes of the discussion and make a referral where appropriate. If the allegation indicates that a potential criminal offence has taken place, the police will become involved.

Parents, of both the student/s being complained about and the alleged victim/s, should be informed and kept updated on the progress of the referral. The Designated Safeguarding Lead will make a record of the concern, the discussion and any outcome using CPOMS.

If the allegation highlights a potential risk to the school and the pupil, the school will follow the school's behaviour policy and procedures and take appropriate action. In situations where the school considers a safeguarding risk is present, a risk assessment should be prepared along with a preventative, supervision plan. The plan should be monitored and a date set for a follow-up evaluation with everyone concerned

Nurture / Well-Being Groups

In our school team we have staff who support children who have difficulty in controlling their emotions. The children who are the intended focus are those who need support for a range of emotions. Anyone involved with a child may highlight concerns for a child's emotional development.

It is usual and expected that prior to the identified need for referral for a child's behaviour, the class teacher will have been keeping the child's parents informed about the child's behaviour.

Prior to the referral of a child for behaviour management, the class teacher must speak to parents and ensure they agree to their child taking part in the nurture group.

The children meet individually or in small groups, with peers of a similar age. Activities are designed to allow each child to share their feelings and to learn how to manage their emotions. The aim is that the children will be able to recognise the early signs of emotions such as anger and through greater understanding, that they may be more able to then employ strategies to manage him or herself to be calm. Children in these groups will also always have named staff as mentors that they can access easily, who will talk to them daily and they feel they can approach if they wish for support.

Equal Opportunities

As a staff we endeavour to maintain an awareness of, and provide, equal opportunities for all our pupils. We aim to take into account cultural background, gender, special needs, and gifted and talented children, both in our teaching attitudes and in the sanctions we use with our pupils.

CONFISCATION OF INAPPROPRIATE ITEMS

What the law allows:

1. The general power to discipline enables a member of staff to confiscate, retain or dispose of a pupil's property, as a punishment, and protects them from liability for damage to (or loss of) any confiscated items.
2. Power to search without consent for 'prohibited items' including:

- Knives
- Alcohol
- Stolen items
- Any article that has been or is likely to be used to commit an offence, cause injury or damage of property.

Classroom Intervention – Low Level Class
